Independent Auditors' Report

To the Board of Directors of Topco Scientific Co., Ltd.:

Opinion

We have audited the financial statements of Topco Scientific Co., Ltd. ("the Company"), which comprise the balance sheet as of December 31, 2024 and 2023, the statement of comprehensive income, changes in equity and cash flows for the years then ended, and notes to the financial statements, including a summary of material accounting policies.

In our opinion, based on our audits and the reports of other auditors (please refer to Other Matter paragraph), the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2024 and 2023, and its financial performance and its cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Financial Statement Audit and Attestation Engagements of Certified Public Accountants and Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

Other Matter

We did not audit the financial statements for certain investments accounted for using equity method in the financial statements of the Company for 2024 and 2023. The investments accounted for using equity method constituted 9.68% and 9.79% of the total assets as of December 31, 2024 and 2023; and the share of profit of associates and joint ventures accounted for using equity method constituted 14.46% and 13.91% of profit before tax for the years ended December 31, 2024 and 2023, respectively. These financial statements were audited by other auditors whose reports have been furnished to us, and our opinion, insofar as it relates to the amount of investments accounted for equity method, is based solely on the reports of the other auditors.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audits of the financial statements of the current period. These matters were addressed in the context of our audits of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

1. Recognition of Operating Revenue

Please refer to note 4(o) "Revenue" for accounting policies related to revenue recognition; and note 6(t) "Revenue" for details of revenue.

Description of Key Audit Matters:

Due to the wide variety of the Company's products, different transactions were generated according to customers and product portfolio. Identification of revenue recognition has significant influence on the financial statements of the Company. Therefore, revenue recognition is considered as one of the key matters in our audits.

How the matter was addressed in our audits:

Our principal audit procedures included: testing related manual and systematic control over sales cycle to assess if the revenue recognition policies of the Company are in accordance with the related standards. In addition, we examined the sales contracts between the Company and its customers to understand their trading modality and conditions, evaluating and comparing if revenue recognition is consistent with the terms of the contracts; conducting testing for details of revenue before and after the balance sheet date and verifying if revenue recognition is in accordance with the contract terms.

2. Investments accounted for using equity method- Recognition of Operating Revenue of subsidiaries

Please refer to note 4(i) "Investment in subsidiary" for accounting policies related to revenue recognition; and note 6(f) Investments accounted for using equity method.

Description of Key Audit Matters:

Some of the Company's subsidiaries, which are recognized under the equity method, are distributors for the purchase and sale of semiconductor material, electronic material and construction of environmental engineering business, such as water purification plants and dust-proof rooms. The amounts and changes in operating revenues, which are significant sources of revenues from the perspective of consolidation, may affect the users' understanding of the overall financial statements. Therefore, we have included this as one of the key audit matters.

How the matter was addressed in our audits:

Our principal audit procedures included: testing related manual and systematic control over sales cycle of certain subsidiaries using the equity method of investment, performing analytical procedures to operating income, and testing relevant vouchers, as well as assessing whether the Company's timing on revenue recognition and the amounts recognized are in accordance with related standards, and acquiring construction contracts that have significant effects on financial results to verify that there is no diffidence in the percentage of completion calculated by the Company.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Regulations Governing the Preparation of Financial Reports by Securities Issuers, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance (including the audit committee) are responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

6. Obtain sufficient and appropriate audit evidence regarding the financial information of the investment in other entities accounted for using the equity method to express an opinion on these financial statements. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Kuan-Ying Kuo and Keng-Chia Huang.

Based on our audits and the reports of other auditors, we believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

Other Matter

We did not audit the financial statements for certain investments accounted for using equity method in the consolidated financial statements of the Group for 2024 and 2023. The investments accounted for using equity method constituted 7.04% and 7.31% of the total consolidated assets as of December 31, 2024 and 2023; and the share of profits of associates and joint ventures accounted for using equity method constituted 12.96% and 12.35% of profit before tax for the years ended December 31, 2024 and 2023, respectively. These financial statements were audited by other auditors whose reports have been furnished to us, and our opinion, insofar as it relates to the amount of investments accounted for equity method, is based solely on the reports of the other auditors.

The Company has prepared its parent-company-only financial statements as of and for the years ended December 31, 2024, on which we have issued unmodified opinions with emphasis on Other Matter paragraph. The Company has prepared its parent-company-only financial statements as of and for the years ended December 31, 2023, on which we have issued unmodified opinions with emphasis on Matter and Other Matter paragraph.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audits of the consolidated financial statements of the current period. These matters were addressed in the context of our audits of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

1. Recognition of Operating Revenue

Please refer to note 4(p) "Revenue" for accounting policies related to revenue recognition; note 5(a) for revenue recognition of construction and the percentage of completion method for construction contracts; and note 6(x) "Revenue" for details of revenue.

Description of Key Audit Matters:

The types of revenue for the Group include sales revenue, construction revenue, and other operating revenue. Among these, identification of sales revenue and construction revenue's recognition has significant influence on the consolidated financial statements of the Group, as explained below:

1. Sales revenue: Due to the wide variety of the Group's products, different transactions were generated according to customers and product portfolio. Identification of revenue recognition has significant influence on the consolidated financial statements of the Group.
2. Construction revenue: The budgets for construction contracts highly depend on the management's judgments. The evaluation of above budgets may result in significant changes in income and losses for the reporting period.

Therefore, sales revenue and construction revenue's recognition is considered as one of the key matters in our audits.

How the matter was addressed in our audits:

Our principal audit procedures included: testing related manual and systematic control over sales cycle to assess if the revenue recognition policies of the Group is in accordance with the related standards. In addition, we examined the sales contracts between the Group and its customers to understand their trading modality and conditions, evaluating and comparing if revenue recognition is consistent with the terms of the contracts; acquiring all construction contracts to verify that there is no diffidence in the percentage of completion calculated by the Group; conducting testing for details of revenue before and after the balance sheet date and verifying if revenue recognition is in accordance with the contract terms.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Regulations Governing the Preparation of Financial Reports by Securities Issuers and with the IFRSs, IASs, IFRC, SIC endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance (including the audit committee) are responsible for overseeing the Group's financial reporting process.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.

5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Kuan-Ying Kuo and Keng-Chia Huang.
